The United States of America, acting through the Millennium Challenge Corporation (“MCC”) and the Government of the Republic of Zambia (GRZ) (the “Government”) have entered into a Compact Development Funding Agreement (“Agreement”) in the amount of approximately USD 12,000,000 (“MCC Funding”). The proposed Compact program includes the following projects: (1) roads and access; (2) asset finance; and (3) agriculture policy and institutional strengthening to improve agriculture productivity and agro-processing.

MCC’s funding is appropriated by the U.S. Congress and obligated to the Agreement up-front, with no incremental or partial funding.
